

# FREE TUTORING FOUNDATION APPLICATION

The Free Tutoring Foundation is here to help you succeed. Submitting your application shows that you value the role education plays in your future. If accepted, you'll have the opportunity to work with one of the most highly recommended math & science tutors in Dallas free of any financial burden. The only "payments" the Foundation expects are efforts on your part to "Pay It Forward" with volunteer work for other community improvement organizations. Please complete this brief application and return it as soon as you can. Aside from the information requested, you can include anything else you think will help us learn more about you.
